Hi Federico,

We are reviewing the preliminary draft EIS for BDCP for an April 30 due date on comments. Last week at the BECT meeting, one of the power point slides identified April 18 as the time when agency comments would be submitted to DWR/BDCP proponents. Do you know if the schedule has been changed?

I also want to follow up on the toxins/contaminants appendix to the HCP. ICP provided a schedule of admin draft chapter 5 technical appendices to IMT on March 2nd. This schedule shows an update to Appendix D "Contaminants" coming out on March 16. The website still posts the "Toxins" Appendix D update don 1/6/12. Can you find out from ICF when the update is expected?

Thanks,  
Erin
